# **SCHEDULE D - CONFLICT RESOLUTION PROTOCOL**

The objective of this protocol is to transform any conflict with the Weston Farmers' Market General Rules and Regulations (the "Regulations"), real or perceived, into a positive resolution. The Regulations are clearly outlined in the Weston Farmers' Market Guidebook. The current version of the Guidebook will always be available on the Weston Farmers' Market's web site. To be a vendor all vendors must acknowledge they have read the Regulations in the current Guidebook and have agreed to comply with the Regulations.

Written recommendations for improvements to the Regulations from vendors and the public are welcomed and should be addressed to the Weston Farmers' Market Chair and delivered by email, regular mail, or through the Market Manager. The Weston Farmers' Market Chair has delegated on-site authority to the Market Manager in matters having to do with the Regulations and the Market Manager is responsible for oversight of vendor compliance with the Regulations. Should vendors or the public have concern a vendor is in conflict with the Regulations such concern should be brought to the Market Manager verbally or in writing. The Market Manager has the discretion to determine if a written concern is required.

## **Initial Conflict Identification and Weston Farmers' Market Manager Discussion with Vendor:**

The Market Manager is responsible for identifying the specific conflict a vendor has with the Regulations either as observed by the Market Manager or upon evaluation of a concern brought to his/her attention. The Market Manager will discuss with the vendor the specific Regulations the vendor is in conflict with and seek the vendor's agreement to comply with the Regulations. Because initial conflicts are likely to be inadvertent, this measure is anticipated to be sufficient to transform the conflict into a positive result.

## **Escalation to the Weston BIA Chair:**

In the unlikely event of a vendor not complying with the Regulations following the above measure, and/or repeated incidents of conflict with the Regulations, the Market Manager will, prior to the next Weston Farmers' Market day, provide a written report to the Weston Farmers' Market Chair clearly citing the details and evidence of such conflict, a copy of which will be provided to the vendor by email and regular mail. The Weston Farmers' Market Chair may then reach out to the vendor.

## **Decision of the Weston BIA Chair:**

The Weston Farmers' Market Chair will consider all the relevant information provided by the Market Manager and the vendor and will, within 14 days of receiving the written report from the Market Manager, make a determination of the action to be taken. The decision will be communicated to the vendor in writing by email and regular mail, citing the details of, and reasoning for, the decision. The Board of Directors must approve a Weston Farmers' Market Chair decision recommending a vendor forfeit their stall(s).

## **Appeal of Weston BIA Decision to the Board of Directors:**

A decision of the Steering Committee may be appealed in writing, by email and regular mail, within 14 days of the decision. Upon receipt of an appeal the Board of Directors will inform the vendor in writing, by email and regular mail, of the date of the next Board of Director meeting which shall be within 21 days of receipt of the appeal. An appeal must include all the reasons a vendor considers relevant in seeking the decision to be modified and/or reversed and whether or not the vendor wishes to appear at the Board of Director meeting, with or without representation from a supporting party, to speak on his/her behalf. Board of Director decision of appeals are final.
